

EUREKA! THEME SONG LYRICS

Verse 1

Find bravery and courage
From these stories that we tell
Explorers facing lion hawks
While surfing 10 foot swells

They hang glide with iguanas
Always looking for a clue
Discovered in a castle
Below a cactus in Peru

They'll lead us on excursions
Through some wild and distant lands
And you might be surprised
What relic ends up in your hands
And you'll say

Chorus

Eureka! (Eureka!)
What you'll shout out really big
When God's Word is where you dig
Eureka! (Eureka!)
What's that discovery you made?
God's love will make you say
Eureka! (shouted, not sung)

Verse 2

Explorers and adventurers
Each one of us is stirred
Now we'll all take on the quest
To make discoveries in the Word

*Repeat Chorus

Bridge

You'll say it and you'll sing it
'Cuz God's love will really bring it
And you won't be able to hold it in
You'll have to shout again and again
You'll say it and you'll sing it
'Cuz God's love will really bring it
And you won't be able to hold it in
You'll have to shout again and again

*Repeat Chorus

Eureka! (Eureka!)
(PAM) HerruhHerroo
Eureka! (shouted, not sung)

NEIL (spoken)
Pam, this wasn't your song to sing

PAM
Herruh her hoo.

NEIL
Well, you have to be patient. I promised I'd
take you to the Alpaca barber and then to
get ice cream.

PAM (fading)
Herruh herr.

NEIL (fading)
Yes, Pam. You can get raisin ice cream.
You're the only one that ever eats it anyway.
