

THE 5 WHAT'S SONG LYRICS

The Bible's full of wisdom
Learning opportunities
No scarcity of chances
To make new discoveries
So how do we know how to read?
Oh the possibilities

Finding the right way to read can
Seem a real tall task
With every passage opened
There are questions we can ask
So look alive
'Cause we've got five
That can help you track

What's that word?
You must be stirred
To understand
What each word means
It might be long
Or hard to say
Like denarii or Uzziah or Philistines

But don't go any further
Until you ask,
Well, were there
Words I didn't know?
Well, look them up and so
You've asked
What's that word?
Now you know

What's happening
In the passage?
You can't stop at just one verse
Who's it about?
Who's the author?
Who was meant to get the message first?

It's the second question
In your study session
What's happening in
The passage that we've been
Reading just now?
Now you know

What's happening
In the Bible?
There is so much going on
Does it help
If I also look
In Psalms or Ruth or
Song of Solomon?

What kind of writing is it?
Like poem or apocalyptic?
We've got to look around
What elsewhere might be found
What's happening in the Bible?
Now you know

THE 5 WHAT'S SONG LYRICS

We've made it through the first three
But we still must ask two more
So when we read the Bible
We know just what to look for
We need all five
So look alive
Here comes number four

What's this say
about God?
What's to learn about His love?
What's He like?
What's important?
Is He shown as a fire or a dove?

How does He give
A model for how to live?
What's this say about God?
A question we should prod
He's the star of the show
Now you know

What's this say
About us?
How can God change how we live?
Is the passage
Teaching us
How to pray, spend our money,
or to forgive?

They're not just words to view
It's a call to go and do
What's this say about us?
Let's stop and discuss
We've a part to play
Now you know

What's That Word?
What's Happening in the Passage?
What's Happening in the Bible?
What's This Say about God?
What's This Say about Us?

Sir Neil: That's all five questions. Ask them every time you read the Bible and you'll be a world-famous explorer in no time.
